DR. JOHNSON-UMEZ NCLEX REVIEW COURSE FOR RNS AND LVNS

DAY 1 (9A – 5P)

- **What is the NCLEX exam?**
- **Test taking strategies for passing the NCLEX exam**
- **Review of the candidate bulletin for registering for the NCLEX exam**
- **Management – Excessive information focused on how to prioritize patient assignments and delegation of assignments. How to delegate to unlicensed personnel.**
- **Take home exam to complete to identify weak areas and to utilize test taking tips taught.**

DR. JOHNSON-UMEZ NCLEX REVIEW COURSE FOR RNS AND LVNS

- **Receive Dr. Umez's thorough State Boards Study guide. This study guide reviews and outlines pertinent information over all areas of nursing content.**
- **Scoring of the NCLEX exam and how to receive quick results after taking boards.**

DR. JOHNSON-UMEZ NCLEX REVIEW COURSE FOR RNS AND LVNS

- At the end of Day 1, participants will be given a take home exam to complete and information on how to take the exam. Each participant will be asked to critically think on this exam and to mark down any information that was thought on to answer the questions. This test will be used to assess how each participant is taking their test and what problems are encountered when taking exams.

DR. JOHNSON-UMEZ NCLEX REVIEW COURSE FOR RNS AND LVNS

DAY 2 (9A – 5P)

- **Day 2 will start out on reviewing the practice take home test and strategies that could have been used to make a passing score on this exam.**
- **Day 2 will get to the heart of test taking. We will learn how to critically think out the right answers to many questions. You will learn to apply the decision tree for answering application and analysis questions. You will also learn tricks to answering questions correctly to topics you are unfamiliar with!**

DR. JOHNSON-UMEZ NCLEX REVIEW COURSE FOR RNS AND LVNS
